## Term 3 Stage 2 HSIE Project

### A checklist to guide you in completing your project!

<table>
<thead>
<tr>
<th>Read the marking criteria carefully. Make sure you understand what is required of you. <strong>Ask your teacher if you are unsure.</strong> Start thinking about what country you would like to study. Choose a country that interests you and one that you might like to visit one day.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Gather</strong> lots of information from different sources, not just from google! Borrow books from the library, visit a travel agent and ask for a brochure or watch travel documentaries about the country you have chosen. The more you know the easier it will be to answer the questions.</td>
</tr>
<tr>
<td><strong>Identify</strong> the main points from the information you have gathered and <strong>organise</strong> them under the correct headings. Location, religion, food, celebrations, interesting facts and visuals.</td>
</tr>
<tr>
<td><strong>USE YOUR OWN WORDS</strong> to begin answering the questions. Refer back to the marking criteria and ensure you have answered them correctly. <strong>Ask your teacher for help at any time.</strong> Do not leave it until the last minute.</td>
</tr>
<tr>
<td><strong>Check</strong> your information thoroughly. Ask an adult to check your work. Make sure you have answered all the questions.</td>
</tr>
<tr>
<td><strong>Decide</strong> how you would like to present your project. Think about how you can present your information in a creative way. Ensure you have clear headings and the information is easy to follow. Remember it needs to be presented <strong>ELECTRONICALLY.</strong> See your teacher if you are unsure.</td>
</tr>
<tr>
<td><strong>Use your information</strong> to prepare your speech. Remember it is only one minute so speak about the information you find most important and interesting. Practice your speech so that you are confident when you are presenting.</td>
</tr>
<tr>
<td><strong>Double check</strong> your entire project. Make sure you are happy with the work you have done. Practise presenting your speech and project to an adult.</td>
