BOSSLEY PARK PUBLIC SCHOOL

RESOURCES LEVY 2015 - YEAR 2

Dear Parents,
In order to provide a range of comprehensive educational programs and opportunities for your child, it is requested that you pay a resource levy for each year your child is in.
This levy helps cover some of the costs of expendables including specialist art and craft supplies, photocopying paper (for class work sheets, notes sent home), coloured cardboard, coloured award paper and individual school programs which are listed below.

The resource levy is separate to the voluntary school contributions which are set at $25 per child.
These contributions help cover the minimum requirements for your child, including exercise books, art materials and other stationery items.

The resource levy and the voluntary school contributions may be paid in two instalments. Instalment 1 is due on Friday 20 February 2015. Instalment 2 is due on Friday 27 March 2015. Our school accepts on-line payments via a secure Westpac page accessed through the school website by selecting SMake a payment. In the payment option, enter Resource Levy or Voluntary Contributions and the amount to be paid. Write the receipt number at the bottom of this page and return it to school.

Excursion costs will be invoiced separately as they arrive. Please note that there are optional programs that apply to specific groups of students such as PSSA sport, carnivals, dance and academic competitions for which there will be separate charges.

Further information relating to excursions, class programs and class requisites will be announced at our “Meet the Teacher Night” in mid February 2015.

The Mathletics online program and Reading Eggs (a new online program for 2015) will form an integral part of your child’s mathematics and English homework and schoolwork in 2015. The school’s bulk buying power saves families around $180 if you were to purchase these two programs separately.
The Skoolbag App allows instant alerts and notification via Smartphone or Android mobile phone.
