Dear Parents/Guardians,

Education Week will be celebrated in Week 3. You are invited to attend some of our Open Day activities on **Wednesday 30th July 2014**. As part of our celebrations, we will be having a Multicultural Day, Science activities and an Art Exhibition.

**Multicultural Costume Parade**

We will be having a costume parade to celebrate the great diversity that exists in Australia. We would like the students to dress in their National costume. Please be aware that there will be other activities on during the day and your child may choose to change into their costume dress at lunch time.

**Multicultural Lunch**

We will be having a multicultural lunch on the day. It would be greatly appreciated if you could provide a small dish of food for your child to share with their class. This will provide students with the opportunity to sample food from around the world.

**Art Exhibition**

We will be having an art exhibition in the hall. Every student will have a work of art on display. Entry to the exhibition will be a gold coin donation. All money raised will go towards the purchase of art resources. The exhibition will also be open on Thursday 31st July.

**Science Activities**

We will be participating in fun science activities related to our country of study.

Please refer to the detailed timetable of events overpage.

Thank you for your cooperation and support. We look forward to seeing you there.
